## CERTIFICATIONS & TRAINING

### Android Application Development

IBCS-PRIMAX, December 2022

### JavaScript (Basic) Certificate

HackerRank, Nov 2025

### SQL (Basic) Certificate

HackerRank, Nov 2025

### Programming Contests & Research

IEEE Computer Society, December 2025

## EDUCATION

### BSc in Computer Science & Engineering

Southeast University (SEU)

Nov 2023 – Expected Graduation: Dec 2027

Tejgaon, Dhaka, Bangladesh

### Diploma in Computer Engineering

Graphic Arts Institute (GAI)

Session: 2018-19

**CGPA:** 3.61 / 4.00

Mohammadpur, Dhaka, Bangladesh

## EXPERIENCE

### Web Developer

FB International BD  
Dhaka, Bangladesh

Nov 2024 - Oct 2025

- Engineered scalable business solutions and high-performance e-commerce applications.
- Integrated WooCommerce and optimized checkout workflows.
- Improved website performance and loading speed through optimization techniques.
- Ensured cross-browser consistency and perfect mobile compatibility.
- Collaborated with clients to deliver scalable solutions, reducing maintenance time by 20%.

## PROJECTS

### Food Hunter – Restaurant & Food Ordering Web App

React.js | Tailwind CSS | JavaScript | Vercel

**Live:** food-hunter.vercel.app

- Developed a mobile-first food ordering platform with modern UI/UX.
- Built reusable React components for menu, categories, and dynamic product cards.
- Implemented clean state management to ensure a seamless browsing interaction.
- Ensured flawless rendering across all devices (mobile, tablet, desktop).

### Graphicon Business – Corporate Business Website

React.js | Tailwind CSS | JavaScript | Vercel

**Live:** web-graphicon-business.vercel.app

- Crafted a modern corporate website featuring a user-centric layout and clean design.
- Created reusable components for Hero, Services, About, and Contact sections.
- Implemented strong call-to-action (CTA) sections to improve engagement and conversion.
- Maintained clean, scalable, and SEO-friendly component structure.

### Travel Booking Website

WordPress, HTML, CSS, JavaScript

**Live:** bluegemtravels.com

- Built a dynamic travel booking platform integrated with custom Elementor widgets.
- Integrated GTranslate for multi-language support to enhance global accessibility.
- Implemented dynamic contact and inquiry forms using WPForms for lead generation.
- Enhanced UI interactions and functionality using custom JavaScript.
